

**It's a New**

**FREEDOM**

**For Immediate Release –  
March 8, 2010**

(Fremont, MI) – Here comes good news for Fremont and our hometown GM dealership, Freedom Chevrolet at 7052 West 48th Street.

On Friday, March 5, General Motors officially reinstated Freedom's GM franchise to sell new Chevrolet vehicles. Steve Johnson, Freedom owner and general manager, was pleased to get the word.

"First I want to thank our Freedom customers and friends, everyone who stood by us and encouraged GM to re-think their position here", said Johnson. "It's

been a challenging time. But Fremont is a great community for GM and Chevrolet, and at Freedom we've worked hard to win GM's reconsideration, as well as their top awards for customer service satisfaction.

"Now, with our Chevrolet franchise firmly back in place, we can focus again on what we do best — taking

care of our local customers, and selling and servicing new Chevrolet cars, trucks and SUVs. Freedom is here to stay."

The dealership will be celebrating with special promotions throughout the months of March and April. For more information, contact Steve Johnson at Freedom Chevrolet in Fremont, 231-924-0600, website address: [www.MyFreedomDeals.com](http://www.MyFreedomDeals.com)
